

TOWN Phase 2

Module 1: Between Modules activity

The following tasks need to be completed before commencing Module 2:

1. Each teacher needs to teach one lesson from Module 1 and select a component of the lesson to use as a short, focused and frequent activity.
2. Each school needs to choose at least one person to report back on the above task at the next school Module session.
3. Each teacher needs to enter student information into the database and/or into the school's data wall.
4. The team leader needs to enrol on MyPL@Edu in the *Taking Off With Numeracy Phase 2* event Darlinghurst, event ID: 82039
5. The team leader needs to schedule at the school a TOWN Phase 2 event.
Course code 151CL014
6. Each team member needs to enrol in the school's TOWN Phase 2 event.
7. The team leader needs to confirm team member enrolments in the school event on MyPL@Edu.
