

TOWN Phase 2 Module 2: Between Modules activities

The following tasks need to be completed before commencing Module 3:

1. Differentiate and teach a lesson using a resource in Module 2 and provide feedback at the next school Module session.
2. Choose at least one person to report back for your team on the above task at the next module.
3. Continue to update student progress using the PLAN software and on your school TOWN data wall.
4. Continue to teach lessons and activities from TOWN Modules 1 and 2.
5. Build SFF time into your daily class routine. Ensure that the SFFs build on concepts covered during the class mathematics lessons and are aimed at the targeted students.
6. Each teacher needs to read through the lessons and activities for Module 3 prior to the module 3 professional learning session
