

Town Phase 2

Module 3: Between Modules activity

The following tasks need to be completed before commencing Module 4:

1. Differentiate and teach a lesson using a resource in Module 3 and provide feedback at the nextschool Module session. If possible, use the *Lesson study* model to do this.
2. Choose at least one person to report back for your team on the above task at the next school Module session.
3. Continue to update student progress on the school data wall.
4. Continue to teach lessons and activities from the TOWN modules 1, 2 and 3.
5. Identify and use components of TOWN lessons and activities as *Short, focused and frequent activities* for the target group.
6. Read through the lessons and activities for module 4 prior to the module 4 professional learning session.
