

TOWN Phase 2

Module 4: Between Modules activity

The following tasks need to be completed before commencing Module 5:

1. Introduce *tape diagrams* to each class.
2. Use a *lesson study* approach to plan, deliver, review and refine a lesson where children use a tape diagram to solve word problems.
3. Review and refine the lesson.
4. Provide feedback at the next school Module session.
5. Continue to update student progress using the PLAN software (by end of term 3) and on your school data wall.
6. Read through the lessons and activities for module 5 prior to the module 5 professional learning session.
